A Contractor/Business must pre-register with the Yurok Tribe TERO to be placed on a “bidders” list certified as Indian Preference. A Contractor’s/Business certification must be submitted by each contractor/business interested in bidding on a job within the jurisdiction of the Yurok Tribe. If a Contractor/Business intends to subcontract any portion of the work on which it is bidding, it may only utilize subcontractors that are also registered. Thus, each prospective contractor/business, and all subcontractors it will employ, must complete a separate certification.

This certification is not a public record and is not open to public inspection. All information provided will be kept confidential to the extent permitted by law. The Yurok Tribe reserves the right to reject any and all “certification forms” and to waive any irregularities in the information contained therein. Each certifying contractor/business shall be required to re-submit a new certification annually, although the Yurok Tribe reserves the right to require a contractor to submit a new certification at any time. An individual who has the legal authority to bind the contractor or subcontractor on whose behalf that person is signing must sign each certification under penalty of perjury. If any information provided by a contractor/business or subcontractor becomes inaccurate, the party that provided the information must immediately notify the TERO and provide updated accurate information in writing and under penalty of perjury.

INDIAN PREFERENCE CERTIFICATION

This certification is also intended for certification of a majority or wholly-owned Native American business interested in providing their services and/or products via contracting opportunities under the purview of the TERO program as provided for by the Indian Self-Determination and Education Assistance Act, (P.L. 93-638), specifically 7(b), and other applicable federal and tribal laws.

Certification of Native American-owned businesses is designed to : 1.) Verify that the applicant is Native American,; 2.) That the applicant is majority owner, if not 100% of the business, and; 3.) That the applicant is the primary beneficiary of the business being certified. Documentation and information required is essential to fulfill the criteria. Any deliberate or intentional effort to misrepresent the ownership of the business applying for certification will result in exclusion of contract opportunities by the Yurok Tribe.
