Building Stronger Communities

The Meth and Drugs of Abuse Education and Prevention training
2 day interactive training course

October 5th: Service Providers
October 6th: Community/ Families

Who should attend ?

Law Enforcement, Health Providers, Tribal Leaders,
Social Services, Education, Housing, TANF, County Services
Prevention Programs, Tribal Community

The training program includes information that increases awareness of the current methamphetamine and prescription drug threat occurring throughout tribal communities.

Attendees can expect to become more aware of the signs of abuse of methamphetamine, prescription drug abuse, and the impact on drug endangered children. The goal is to support next-step prevention responses with effective community based strategies and resources.

Training is Free
