

YUROK TRIBE - ENROLLMENT DEPARTMENT

Enrollment Staff

Earl Jackson, Enrollment/Election Director
Rhiannon Gensaw, Enrollment Assistant
Krystal Patapoff, Enrollment Assistant
Angela Folkins, Enrollment Clerk

Enrollment

Since August 2007, we have enrolled 420 new members into the Yurok Tribe. The Enrollment Department has received over 550 applications for enrollment. We are currently at 5,437 enrolled Tribal members. We have had 6 Tribal Members that have relinquished their membership in the Yurok Tribe since August 2007.

We have been working getting all the enrollment files scanned into the database, so that information can be more readily available and saved. Because of the number of files, this process has taken almost 4 years complete. We have scanned in about 5,000 enrollment files into the Tribal Enrollment Database. The scanning should be done by the end of the summer.
