YUROK TRIBE TRIBAL ORDINANCE ESTABLISHING THE YUROK INDIAN HOUSING AUTHORITY

Pursuant to the authority vested in the Yurok Tribe by its Constitution, and particularly by Article I, Section 4 and Article IV Section D thereof, and its authority to provide for the health, safety, morals and welfare of the Tribe, the Tribal Council of the Yurok Tribe hereby establishes a public body known as the Yurok Indian Housing Authority, (hereinafter referred to as the Authority), and enacts this ordinance which shall establish the purposes and duties of the Authority. In any suit, action or proceeding involving the validity or enforcement of or relating to any of its contracts, the Authority shall be conclusively deemed to have become established and authorized to transact business and exercise its powers upon proof of the adoption of this ordinance. A copy of the ordinance duly certified by the Secretary of the Council shall be admissible in evidence in any suit, action or proceeding.

ARTICLE I

Declaration of Need

It is hereby declared:

1. That there exist on the Yurok Reservation, Yurok ancestral lands, and in the Yurok Tribe's Prime Service Area of Humboldt and Del Norte Counties, unsafe, and overcrowded dwelling accommodations; that there is a shortage of decent, safe and sanitary dwelling accommodations available at rents or prices which persons of low income can afford; and that such shortage forces such persons to occupy unsanitary, unsafe and overcrowded dwelling accommodations;

2. That these conditions cause an increase in and spread of disease and crime and constitute a menace to health, safety morals and welfare; and

that these conditions necessitate excessive and disproportionate expenditures of public funds for crime prevention and punishment, public health and safety protection, fire and accident prevention and other public services and facilities;

3. That the shortage of decent safe and sanitary dwellings for persons of low income cannot be relieved through the operation of private enterprises;

4. That the providing of decent, safe, and sanitary dwelling accommodations for persons of low income are public uses and purposes, for which money may be spent and private property acquired and are governmental functions of this Council;

5. That residential construction activity and a supply of acceptable housing are important factors to generate economic activity, and that the undertakings authorized by this ordinance to aid the production of better housing and more desirable neighborhood and community development at lower costs will make possible a more stable and larger volume of residential construction and housing supply which will assist materially in achieving full employment; and

6. That the necessity in the public interest for the provisions hereinafter enacted is hereby declared as a matter of legislative determination.

Article II *Purposes*

The Authority shall be organized and operated for the purposes of;

1. Remedying unsafe and unsanitary housing conditions that are injurious to the public health, safety and morals;

2. Alleviating the acute shortage of decent safe and sanitary dwellings for persons of low income; and

3. Providing employment opportunities through the construction, reconstruction, improvement, extension alteration or repair and operation of low-income dwellings.
