Invitation:

The Yurok Tribe's Transportation Department is currently seeking bids from qualified vendors for the purchase of two perforated metal bus shelters. Bus shelters can range in size from 12 to 14 ft. in length. The bus shelters must be painted steel. Bus shelters must have ADA clearance with a perforated metal bench. No back rest is needed for the metal bench. Bus shelter should include perforated metal walls, full end walls, solar LED lighting, advertising panel and low peak roofing.

Bid should include the delivery of two bus shelters to the Yurok Tribe, at Yurok Tribal Office in Klamath, California, 95548. Yurok Tribe is not subject to pay any taxes on Yurok Indian Reservation.

Bid should include delivery to the Yurok Tribe, at Yurok Tribal Office 190 Klamath Blvd, Klamath, California 95548. All complete bids must be sent electronically via email to bnatt@yuroktribe.nsn.us no later than 2:00 p.m. on August 10, 2016. The Yurok Tribe has adopted a Tribal Employment Rights Ordinance ("TERO"), all firms or instructors must comply with the requirements set forth in the Tribal Employment Rights Ordinance, including all applicable taxes, forms, and hiring practices. TERO information can be viewed online at <http://www.yuroktribe.org/departments/TERO/>. If you have any questions regarding this bid, please feel free to contact me at (707) 482-0732 or (707) 482-1350 ext. 1431 or by email.
