Invitation:

The Yurok Tribe's Transportation Department is currently seeking bids from United States Coast Guard (USCG) licensed and certified instructors or firms to provide a two week USCG Inland 100 Ton Master's License Course. Bid should also include First Aid and CPR courses.

Bid should include a per person unit cost for providing trainings, as well as an hourly rate for up to eight additional hours to complete forms and documentation required by the USCG for the issuance of the Master License.

The selected firm or instructor will be required to supply the materials, curriculum, forms, and any associated equipment. Expected class size for training course may range from 8 to 20 people. Master License Course will take place at the Yurok Tribal facility in Klamath, California. Training class is scheduled to take place in October 2016.

All complete bids must be sent electronically via email to jjames@yuroktribe.nsn.us no later than 1p.m. pacific time on September 27, 2016.

The Yurok Tribe has adopted a Tribal Employment Rights Ordinance ("TERO"), all firms or instructors must comply with the requirements set forth in the Tribal Employment Rights Ordinance, including all applicable taxes, forms, and hiring practices. TERO information can be viewed online at <http://www.yuroktribe.org/departments/TERO/>. If you have any questions regarding this bid, please feel free to contact me at (707) 482-1350 ext. 1355 or by email.
