Project Summary:

The Yurok Tribe is soliciting quotes from licensed contractors to provide tree cutting services. The trees need to be cut in preparation for extending a new electrical power service to the Ke’pel Water Treatment Plant. The electrical service will be provided by the Pacific Gas and Electric Company (PG&E). PG&E has designed the overhead powerline extension and will also be responsible for construction of the powerline once the trees have been removed.

***A non-mandatory site review meeting will be held on November 3 at 10:00am.**
