| JOB TITLE: | Geospatial Analyst/Surveyor I | | |
| JOB GRADE: | 7/8 | REPORTS TO: | Survey Manager/Senior Engineer |
| STATUS: | Non-Exempt | LOCATION: | Arcata |
| DEPARTMENT: | Fisheries | DIVISION: | Natural Resources |
| ALL HIRING IS SUBJECT TO THE YUROK TRIBE'S HIRING PREFERENCE | | | |
| SALARY RANGE: | \$22.70-\$29.62/\$24.88-\$32.47 | | |

POSITION SUMMARY:

Incumbent is under the direct supervision of the Geospatial Analyst/Surveyor III or Survey Manager and works to support field acquisitions as well as other technical acquisition specialists. The analyst/surveyor assists on various projects to support data acquisition, extraction, and review of raw data while maintaining a high level of quality assurance and quality control. The analyst/surveyor is required to produce consistent work products. The successful incumbent will be a creative, problem-solver who strives to develop process efficiencies and improve methodologies. Depending on the incumbent's experience and skills the position may require field work ranging from 25% to 75% of the time. Field surveys will include assisting with acquisition using various remote sensing technologies from boats, aircraft, and UAV's. Office duties will be carried out at the Arcata Field Office and occasionally onsite as needed.

DUTIES AND RESPONSIBILITIES:

1. Assist with planning of boat and aerial based remote sensing missions.
2. Assist with boat and aerial based remote sensing acquisitions.
3. Extraction of raw remotely sensed data.
4. Quality and completeness checks of data post-acquisition.
5. Trajectory processing and data review.
6. Performing adjustments to remotely sensed data based on field observations.
7. Post processing of conventional survey data and remotely sensed survey data.
8. Classification of LiDAR and Photogrammetric datasets.
9. Integration of conventional and remotely sensed data sets to produce digital elevation models.
10. Statistical analysis, quality assurance, accuracy assessment and reporting.
11. Performs other related duties as assigned.

SUPERVISORY RESPONSIBILITIES:

This is not a supervisory position though incumbent will be required to act in charge when supervisor is not onsite.

MINIMUM QUALIFICATIONS:

1. Basic understanding of sonar, LiDAR, and photogrammetric remote sensing systems.
2. Some experience with sonar, LiDAR and photogrammetric technologies and data quality considerations.
3. Basic understanding of horizontal and vertical coordinate reference systems and datum transformations
4. Experience with data processing and remote sensing software packages such as RiProcess, PosPAC, Inertial Explorer, Trimble Business Center, HyPack, Caris HIPS, Terrasolid, LASTools, LP360, Cloud Compare, AutoCAD, ArcGIS, etc.

5. Understanding of development and implementation of algorithms (Scripts/Models/Macros) as it pertains to automating processes and increasing efficiencies.
6. Understanding of LiDAR classification, data aggregation, statistical analysis, quality assurance, assessment, and reporting.
7. An ability to operate boats and airborne based mapping equipment, occasionally for consecutive days in remote and strenuous locations.
8. High attention to detail and the ability to consistently produce high quality data products with minimal supervision.
9. Ability to obtain and maintain a Remote Pilot Certificate (Part 107) license.
10. Able to work and think independently.
11. Able to problem solve and make sound independent decisions.
12. Possess a strong work ethic, energetic, and dedicated.
13. Have excellent verbal and written communication skills.
14. Recognition that in order to serve Yurok People one must know as much as possible about Yurok history, culture and values.
15. Valid State issued driver's license and/or the ability to obtain a California driver's license. Must be insurable on the Tribe's insurance policy.

EDUCATION/EXPERIENCE:

1. Grade 7: AA or AS in science, math, surveying, geomatics, or related field with two (2) years job specified experience.
2. Grade 8: Bachelor's degree in science, math, surveying, geomatics, engineering, or related field with one (1) year job specified experience. Alternatively, five (5) years demonstrated specific experience.
3. Candidates with equivalent combinations of education, training and experience will be considered.

CONDITIONS OF EMPLOYMENT:

1. All applicants are subject to the Tribe's Drug and Alcohol Policy including pre-employment screening.
2. Valid state issued driver's license and/or the ability to obtain a California or Oregon driver's license. Must be insurable on the Tribe's insurance policy.
3. Must pass a background investigation and fingerprint clearance.

LANGUAGE SKILLS:

Must have the ability to read, write and comprehend simple instructions, short correspondence, and memos. With ability to effectively present information in one-on-one and small group situations to customers, clients, and other employees of the organization. Knowledge of Yurok language is preferred but not required.

REASONING ABILITY:

Apply common sense understanding to carry out instructions furnished in written, oral and/or diagram form. With ability to deal with problems involving several concrete variables in standardized situations.

PHYSICAL DEMANDS:

While performing the duties of this job, the employee is frequently required to walk, stand, use hands and fingers, handle, or feel. Employee will have prolonged periods sitting at a desk and working on a computer. The employee must occasionally lift and/or move up to 50 pounds.

VISION REQUIREMENTS:

1. Close vision (clear vision at 20 inches or less).

2. Color vision (ability to identify and distinguish colors).
3. Depth perception (three-dimensional vision, ability to judge distances and spatial relationships).
4. Ability to adjust focus (ability to adjust the eye to bring an object into sharp focus).

I, _____, (print name), acknowledge receiving a copy of this job description and understand the requirements. I also understand that, as an employee, I am expected to perform my assigned duties, to read and abide by all Yurok Tribal laws, policies and procedures, vehicle usage, procurement, and any additional guidelines set forth by the Yurok Tribe. I understand that any violations of all established policies and procedures may lead to disciplinary measures, up to and including termination. I understand that the Yurok Tribe is committed to the philosophy that employment relationships are both personal and voluntary. Accordingly, employment at the Yurok Tribe has no specific duration, and either the employee or the Yurok Tribe can terminate the employment relationship for any reason or no reason. This “at will” relationship exists between the Tribe and all employees.
