- 101 Councilmember Crawford and have heard employees don't want to file complaints for fear of 102 retaliation so they just move on to another departments instead. The TERO process does not

It was reported that CR and Cal Poly will be bringing back the wrestling program soon. Discussed with staff the fentanyl issues. I will be attending the Water Summit in Sacramento this week and will

123 TRIBAL MEMBER COMMENT:

- 124 Roger Boulby:
- I filed a grievance 6 months ago. I am appealing the reason I was fired.
- I have followed policy with no response from Tribe or Corporation.
- The TERO's first report stated that the reasons for firing me were "pretty weak."
- I would like to have this firing explained to me.
- 129 130 Susie Long:
- Take care of your health. You're important to all Yurok people.
- Stanford students could look at a public defender type of office for the Tribe for Tribal
 Members
