TRIBAL MEMBER COMMENT 10:30AM:
Lori Nesbitt: I just a question about his belongings and escorting him away from the Reservation, has all that been carried out? I was thinking if that was taken care and he was escorted out of here, he wouldn’t have a reason to come here?

Peggy Sanderson: Are we still going ahead with our soft opening?

Stephanie Weldon: I would just like to acknowledge Tribal Council taking the steps to secure our community from this individual. I think that’s very important and I support this action. I am disappointed in the prosecution and the outcome of the plea deal on behalf of the District Attorney of Del Norte County because this clearly is a hate crime against our people and our community. So I appreciate the Tribe doing this. I hope we would work to strengthen our relationship with Del Norte DA’s Office and create some protocols so that we can work together better.
