87	TRIBAL MEMBER COMMENT
88	Jim McQuillen:
89	North District Member, Tribal member and your Education Director. I just want to thank
90	the Council that participated in that Cal Poly meeting. I think there was good progress

December 14, 2022 Council Planning Action Meeting 2

- 91 made that we could help from education in terms of the free tuition at all of the CSU 92 campuses because we know they just issued that for the UC system. 93 94 • That would be huge for our tribal members to get that free tuition at Cal Poly and other 95 C S U campuses. The other item that was made headway on is, the possibility of Yurok 96 language being offered at Cal Poly. There seems to be support for Yurok Language 97 offered through extended education at Cal Poly. So again, I want to thank the Council 98 for their work there working with Cal Poly. That's all. Thank you. 99 100 Jewel Frank: 101 • I'm from the Weitchpec District. I just wanted to say very good work. I'm proud of you 102 all. This has been a heck of a year. I really appreciate the comments regarding looking 103 out for our elders during the winter months. I want to encourage checking in on elders, 104 it's been a hard, hard winter already, for all districts. 105 I notice when people just go and check on our elders not everybody has family members 106 that can check on them in a good way. Some of our elders are struggling and so to keep 107 them happy is much appreciated. 108 109 Elizabeth Davis: 110 • Good morning, this is Elizabeth. I'm at the Weitchpec office. 111 I've been getting calls about the water issue up at New Village and we would like to 112 have an update on that. I know they've been working on it, but I have a young mother 113 that calls almost daily regarding water issues, so hopefully they are getting to the 114 bottom of that. 115 116 **EXECUTIVE SESSION:** 117 CA22-295 & CA22-296 (Provolt) 118 ExDir 22-006 Cybersecurity (IT Department) 119 Land (Vanlandingham) 120 Personnel (Ray) 121 122 **CONSENT ITEMS** 123 **Prosecutor's Office** 124 PRO22-012, Rural Violent Crime Reduction Initiative grant 125 Submitted by Rosemary Deck 126 Motion made by Councilmember Natt/Councilmember Vanlandingham to approve Yurok 127 Office of the Prosecutor to apply for fiscal year 2022 Rural Violent Crime Reduction Initiative 128 for Law Enforcement grant in the amount of \$150,000 these funds will pay for salaries of 129 attorneys and their fees for legal licensing no match is required indirect is covered. • •	I live in the Weitchpec District, which I'm just looking for a contact number for the Department for solar program. I know not every tribal member has internet to like to b apprised of the solar program. I don't know if there's like a hotspot to go find out about solar panel program or any other stuff that's going on. Again, I'm looking for a contact number. No one has called him (Larry) back yet, and so some people just kind of fade out and figure they tried, but nobody called back. So, there's still like a breakdown on communication and callbacks.
